### **How long is the NXP Form valid for?**

The NXP form must be utilized within 6 months after its submission subject to a renewal of 3 months by the dealing bank. Subsequent requests for renewals are to be approved by the director, Trade, and Exchange Department of the Central Bank of Nigeria, otherwise, it must be returned to the exporter's bankers for cancellation.

### **Can I use one NXP for more than one type of item?**

Not at all.

An NXP can only be used only for one type of item e.g., if you want to export Hibiscus, Hides & Skin and Ginger, you will be required to use different NXP forms.

However, you can use the same NXP for different grades of the same item. See section 4 of the NXP form
